SUNRISE

3005

The splendour of the living and the world, the sky, the mountains, the animals and the people, together forming the beauty of the world. The splendour of the world is not just in the things we see, but in the things we feel and the things we believe in.

The texture of the fabric and the color of the plaid are the main focus of the design. The plaid pattern is a mix of blue and white, and the fabric has a subtle sheen. The dress is a long-sleeved, button-down style with a high collar and a small pocket on the chest. The overall look is elegant and sophisticated.
